ANKIT NEGI

📞 8920249775

📍 New Ashok Nagar, New Delhi 110096

Pursuing the final year of my graduation major in Computer Science. Aiming to leverage proven communication, leadership, management, and technical skills to successfully fill the Full Stack Developer role in your company. I am passionate to learn new skills and contribute my learnings, frequently praised as hard-working by my seniors, I can be relied upon to help your company achieve its goals and tasks.
